Frank Family Vineyards Cabernet Sauvignon Rutherford Reserve

2013 NAPA VALLEY

“The 2013 Cabernet Sauvignon Rutherford Reserve is 93% Cabernet Sauvignon and the rest Petit Verdot and Cabernet Franc, aged 20 months in 50% new French oak. This has a more saturated purple color, a glorious extract and richness, built with a solid inner core of essence that is pure, dark and impressive. Some dusty/loamy undertones are present, but the dark blackberry and cassis fruit dominate this full-bodied beauty. It still has tannins to shed, but this wine should hit its peak in another 5-7 years and last a quarter-century or more.”

— Robert Parker, *Wine Advocate*
